

THANKS

SCHULZ

Dear Stephen,

Thanks so much for
taking your time
to come out to
Taylor Road & teach
our students about
the sun. They always
are fascinated by
your telescopes & the
glasses. And we as
teachers appreciate
your integration of
the context and other
important life lessons!
Have a great summer!

Sincerely,

**You really
made ~~me~~^{us}
feel special!**

Dear Mr. Steve

Thank You for Coming to your school
and for the telescope that was cool. I
hope You come Next Year Because I have
more Questions to ask you. Thank Mr. Steve
for every the Sun Look ~~ear~~. I finally saw
the Sun without hurting me and I saw the dots
on the Sun that was cool to.

Love
Ariana

Dear Mr. Steve,

Thank you for coming to Our
School. I enjoyed everything you
showed me about the telescope.
I also liked when you look in the
telescope you see the sun.
Thank you for the glasses. I
hope you have a great Summer.
